Dear Simon

I'm writing to you on this occasion regarding the need for more GP appointments to be made available in Bromsgrove and the Villages.

As we discussed at our recent meeting, a key promise I made to my constituents as part of My Plan was to campaign for better local GP access.

Under the last Government, which delivered record funding for our NHS, progress was made to improve access to GP appointments, both face-to-face and virtually. However, I fully recognise that it remains challenging for many patients in my constituency to access GP appointments.

In light of this, I'm therefore calling on NHS Herefordshire and Worcestershire to increase the number of appointments available in Bromsgrove and the Villages.

I look forward to working together on this important matter and discussing how this can be delivered.

Kind regards
